THE SOLEMNITY OF THE MOST HOLY BODY AND BLOOD OF CHRIST

In our age of fast food and eating on the go, families often find that they are not eating meals together at a dinner table. As a family, look back over the past week and recall how many meals were eaten together and how many meals were eaten alone or on the run.

In the Bible, meals are seen as much more than a means to satisfy a physical need. The Hebrew people viewed eating a meal as a way of expressing and strengthening their relationship to one another under God's covenant. It is no coincidence that meals are often the setting of Jesus' teaching and miracles in the Gospels. In this Sunday's Gospel, we hear the story of Jesus feeding the crowd of 5,000 people.

Today, talk about the kinds of hungers that people have in addition to physical hunger. Describe

the hungers that a family nourishes (love, compassion, forgiveness, laughter, and so on). Together give thanks for the food that Jesus gives us that we celebrate on this Sunday's feast of the Body and Blood of Jesus. Make a commitment to share in this Eucharistic meal together as a family.
