The Most Holy Trinity

Think of the last time you witnessed an act of selfless love in your family. Parents and caregivers of all kinds are called upon to act selflessly every day. Family life calls us to share selfless love with one another.

God is the model for us of selfless love. There was no need for God to create our planet or the creatures that inhabit it; it was an act of selfless love. There was also no need for God to send his only Son to save us. That too was an act of selfless love.

As we draw closer to God and the mystery of the Trinity, we learn about God's love. God has lavished us with love in the persons of the Son and the Spirit, who in turn nurture in us the desire to do the same. When we open ourselves to be filled with

an awareness of the divine life within us, we participate in the endless spiral of love that leads to eternal life. Whenever we share selfless love in the family, we are sharing in the life of the Trinity.
