## July 31, 2022

### EIGHTEENTH SUNDAY IN ORDINARY TIME

**F**amily life helps us learn about the values of solidarity and the common good. As a family, we strive to respect the rights of each family member and make decisions that promote the common good of the family. What it would be like if the family ordered a pizza and then divided it unevenly, with some members getting as many pieces as they wanted while others got only a half slice. Talk about how you work to make sure that everyone in the family has his or her fair share.

Remember that your family is also a member of the human family, called

to share the goods of creation fairly and justly. See that in this Sunday's Gospel, Jesus challenges us to remember that the goods of the world are intended to be shared by all. Talk about the parable of the rich fool

and ask family members to describe what they think he did wrong. Emphasize that although the man in the story doesn't seem bad, Jesus points out that this man's flaw was that he was

thinking only about himself and his own comfort and security. Emphasize that when we fail to think about the needs of others, we call that a sin of omission.

On Wednesday, August 3rd, from 4 to 7 PM, St. Michael Indian School will host an Education Night to share the ways families are able to fund 100% of your child's private school education. Parents should have a choice when it comes to the education of their children. We invite you to explore education options. At the event, you can meet with school leaders and school partners to learn about how tuition can be paid for by the Arizona Empowerment Scholarship Act or Student Tuition Organizations.

Our goal of the evening is help parents understand the options available to fund an education at St. Michael Indian School and to receive help with the application process. Experts from Arizona Leadership Foundation and American Federation for Children will be on hand to help complete applications and answer questions.

A bonus: Take home a backpack with school supplies and make new friends! Classes begin August 10th and there is still time to apply for the upcoming school year. St. Michael Indian School currently has openings in Preschool through High School. RSVP to [Kimberly.Billiman@smischools.org](mailto:Kimberly.Billiman@smischools.org) 505-979-5590 ext. 3052.
