The Holy Spirit descends upon the Apostles

Pentecost is sometimes called the birthday of the Church. The Gospel for Pentecost reminds us that the Church begins with the command to forgive. Within the family, the domestic Church, we learn how to forgive and we learn to accept forgiveness. It is the gift of the Holy Spirit that enables us to do both. Today is a fitting time

to share a family celebration of reconciliation.

As you gather together as a family, sit quietly for a few minutes, inviting all to reflect upon their need to forgive and to receive forgiveness. If there is a situation or issue within the family that needs attention, spend some time reflecting upon the concern and how your family might address it.
